> DESIGN BY
CLAUS SIMONSEN

The Facet nest of tables offers a classical touch for the modern interior. They are designed by Claus Simonsen/Generous Design in a close cooperation with Haslev. The table top is reversible offering two design options per table. A new vibrant design from Haslev.

" BEAUTY CARRIES REASON

CLAUS SIMONSEN, GENEROUS DESIGN

Throughout more than 60 years of production, Haslev has developed a range of exquisite solid wood classics in a close cooperation between our skilled Haslev cabinetmakers and innovators. Furthermore, we have had the pleasure to work with designated Danish designers to develop new elegant and functional furniture in the Danish design tradition.
